

## Douglas Rafford Brown

July 12, 1951 - October 8, 2021

Douglas Rafford Brown, 70, passed away suddenly on Friday, October 7, 2021.

He was a graduate of Virginia Military Institute, class of 1973, and he served more than 20 years in the US Air Force. He served on many bases as a member of the Security Police force. On September 11, 2001, he survived the attack on the Pentagon and wore his commemorative lapel pin with pride. In February 1984, as Chief of Police of Bergstrom AFB, he supervised the successful resolution of a hostage situation at the base hospital. The hostage-taker surrendered peacefully after seven hours, and no shots were fired. This was the only hostage situation on a continental USAF base.

After retiring from the Air Force in 1993, Doug made the transition to civilian contractor and continued his work in security with an emphasis on computer security. He continued working in this field until his death.

Doug was descended from the first settlers of New Haven, Connecticut. Born on July 12, 1951, he was the first of this Brown family line to be born outside the state of Connecticut. He was born in Wilmington, DE to William "Bill" Morris Brown, Jr., and Vera Janette "Jean" Brown.

Doug was fond of camping and working with the Boy Scouts. As the father of 3 Eagle Scouts, he helped many boys discover the joys of camping and the outdoors. He was also renowned for his abilities in cooking over an open campfire, especially using cast iron skillets and Dutch ovens.

He is survived by his wife of 40 years, Melinda Sutton Brown of Waldorf, MD; his sister, Patricia (Tom) Bailey of Wilmington, DE; and two nieces, Amanda (Bill) Delcampo, Wilmington, DE and Jennifer Bailey of Philadelphia, PA.

Doug was most proud of his three sons, who all survive him: Stewart Christopher (Eileen) Brown, currently of Toronto, Canada; Trevor Franklin (Lizzie) Brown of Herndon, VA; and Kirby William (Emily) Brown of Salisbury, MD. He is also survived by two adorable grandsons, Isaac William, aged three, and Peter Wade, six weeks old. Doug's mother, father, and grandfather were all certified genealogists. Having three sons and two grandsons to continue his family line was very important to this family.

A memorial service will be held later in the fall when all family members are able to attend (due to COVID restrictions). A private burial will held at Arlington National Cemetery when possible.

Donations may be made to the Memorial Fund, St. Paul's Episcopal Church, Piney Parish, Waldorf, MD 20602.

“ Melinda and Family - I am so very sorry to hear of the passing of Doug. The Browns lived next door to our family in Claymont and, later, down the street from us in Chatham. He was one of my best friends growing up and the Browns were like a second family to me and my brothers. We shared many adventures in elementary school and high school. I always found him to be kind, curious about the world, and - funny! One of my last memories of Doug's mom, Jean, was her proudly telling me what a wonderful wife he found in Melinda. I will always regret that my career and constant traveling caused me to loose track of a good friend. On behalf of the entire McClane family, I send you our most heartfelt thoughts and prayers as you deal with this challenging loss.

“ Doug and I shared our last active duty assignments together as part of the Air Force Systems Command Security Staff at Andrews AFB, MD and were neighbors in Waldorf, MD. We also shared lengthy post-service employment with Aegis Research Corporation and ManTech International. Always a true mentor, confidante and friend, I will truly miss our talks, jokes and stories of shared experiences and mutual friends.

“ My heartfelt condolences to the Brown family. Doug was the most incredible person I've ever met. I was blessed to work for him for 6+ years. I always looked forward to our discussions, his guidance and encouragements but most of all his insights. He will be missed on so many levels. And while he may be gone, he will never be forgotten.

“ I'm so sorry to hear of your loss.

I worked closely with Doug in DC the last several years. He was a wealth of knowledge and always knew just how to fix any problem we might be having. We knew Doug would have the fix and very much appreciated him for it!

It was always clear how absolutely devoted Doug was to his family. Above all else, we all knew how much he adored his wife, sons and grandsons. I hope the many happy and fun memories he told us about help you remember him with a smile.

Your family is in our thoughts and prayers.

“ My deepest condolences to the Brown Family. Doug was a huge staple of our work Family. He was smart, kind, patient and humble wrapped into one great man. He was friendly to everyone and never missed an opportunity to say a kind word of encouragement or speak the volumes of knowledge he had. I would talk to him a great length and all of his stories were ones you could listen to always. He loved his Family dearly and often shared stories of his wife, and news of his sons and grandsons. Thank you for your wisdom, and service to your country. You will be greatly missed.

“ My deepest condolences to the Brown family. I worked with Doug daily while I was assigned to DC, and had the opportunity to talk with Doug several times a year after I transferred out west. Anytime I made it back to DC, Doug was also one of my mandatory stops. You will be missed, my friend. Thank you for your friendship, wisdom and service to our country. Rest easy, brother.

“ Doug was one of the finest gentlemen I've had the pleasure of knowing in my life. Kind, gentle, caring and committed are just a few words that come to mind as I reflect on my time spent with Doug. He cared deeply about our security mission, finding the best people to perform the mission and then taking care of those people - his (work) family. I smile thinking of him "easing" around the corner to have a chat - I will miss those chats and this friend. Rest well, Doug.
