“ Our family has been fortunate to know Ed and Pat for 35 years. Ed was truly a kind and gentle man who loved his family dearly. I know that Ed was heartbroken when Pat passed. I hope that Debbie and Patrick find comfort in the fact that they are together again as they had been for 66 years. We will miss him.

“ Dear Mr Padgett,  
I will miss your smiling face every time you come in the office. I miss hearing your voice when you called me for everything. You are going to be truly missed. You and Mrs. Padgett were like grandparents ( second) that I would like to call. I would do anything for you and go out of my way to make sure that you are taking care of. You guys were very sweet and lovely couple that I adore. May you rest in peace and that you are with your wife again.

“ We didn't know Mr. Padgett personally. He and his wife sat in front of us at St. Mary's Bryantown each week. We nodded at each other and spoke a few words as we left church together. He seemed a peaceful and very nice man and devoted to his wife. We have made a donation to the Humane Society in his memory. May they both rest in peace. Francis & Linda Walter

“ Dear Debbie & Patrick:  
I am so sorry to hear of Ed's passing. I know he will be greatly missed as he was a great man, but he is now back with Mum Padgett. Back in the 80's when I first moved to the US, they took me under their wings and treated me like one of their own, and I will never ever forget that. Two great people who will always have a very special place in my heart.

With loving thoughts and prayers for you both.

“ I have known Ed for many years. He encouraged me to join the Knights and was instrumental in directing me to achieve the 4th degree. I knew Ed when he worked in the Assessor's Office as well as when he worked at a jewelry store in Waldorf. Although we did not do a lot together we "have" that special type of friendship that I am sure many had whenever they met him. I was blessed to have prayed with him at Sagepoint just a couple weeks before he left to be with our Father. Although we pray for Healing we also pray for comfort and Love from our Lord and our Lord chose comfort and love and took him home. God Bless you Ed and say hi to Pat for Ellen and me.

“ My deepest sympathy to Ed Padgett. One of the finest that I have ever known. I worked with Ed at Blair's Jewelry when they were on Route 201. He always had a smile on his face and cherished the love of his Life - Wife Jean. They were meant for one another. Their friendship and love will live forever and forever. Again, my deepest condolences to all. Margaret Dennison
