“ Mr. Griffith was my neighbor for more than 20 years. He was the perfect neighbor always had a smile and a wonderful greeting. We had conversation from his years in the Navy, his most beautiful tree on Linden Lane, a great big beech tree, my flowers, the food we liked, our cars and his truck, and any other things that was happening in the world. It was such a joy he would come by in his car or truck when I was in the yard and stop and asked how things were going and how my wife and I was on that particle day. He always a gave a complement about my grass or whatever was new about my house. I remember when my attention was on some else, he would give we a whistle and a wave of his hand from his yard. He always kept his property, house, and shed in tip top shape. I am going to miss Ron, that's what I called him. It is wonderful that I will always have the memories of that whistle and the raised hand greeting from my neighbor.
