“ Tina was always the life of the party, and the momma bear. She always made sure everyone was happy and protected. The world is hurting with the loss of her. The memories we have feel like a lifetime ago but I can still crack a smile when I think of them. Im sure you're up there with Mikey smiling down on all the ones who love you and are missing you so terribly right now! Rest In Paradise Beautiful

“ I am so sorry to hear of the passing of Tina... Her and I MADE ourselves cousins when we were 14 years old. We were the best of friends and everyone always said we looked alike, so we just said we were cousins. To this day I still considered her a FRIEND. We would check up on each other occasionally, as we know life gets hard and busy, but it didn't stop us. I send prayers to the entire family and all of her friends. I know how hard losing someone is, just know that you are not alone. We now have an angel watching over us. Rest Easy Tina - my love always.
