“ ADRIAN SIMON HARDING - December 2, 1966, to November 11, 2023

Adrian, I am sure you know how much you meant to all the family and how much we all loved you and we always will. You have been a major part of our lives for more than Fifty-Six years and you will always have a special place in our heart and lives.

There are so many good memories that we will cling to forever:

All the days we spent with the family playing soccer and you exceling at playing as a soccer goalie.

You achieved making the final round of being selected to represent the State of Maryland as a soccer goalie. What an achievement!

All the years we all spent at the Solomons Navy Recreation Center Camping, fishing, crabbing, boating and motor bike riding.

From the day you were born, you had to cope with medical problems and had an extra stay in the hospital before you could come home with us. During your childhood and adult life you had more than your fair share of emergency room visits and doctor visits.

We loved helping you with school activities, sports, (especially soccer).

You had natural instincts and talent for fixing things and finding a way to make thing work. Yes, you were a man of many talents.

You lived life to the fullest and did it your way. (It was always all in and not doing anything halfheartedly.)

The best example is when you decided you were going to take a survival training course during the winter months in the North

Woods of Maine. You spent the winter pretty much alone except for your pet mice. Squirrels and an occasional rabbit. You spent it in a Army tent with only a hand made camping stove for heat and cooking. You certainly proved that you could do it. In fact, I know that you enjoyed it and would do it again if someone would do it with you.

There are far too many examples to talk about now but we will remember each and everyone of them.

*We are at peace knowing that you are no longer suffering and you are still living life your way to the fullest. Love you now and always.

“ I am so sorry to see you leave us. You were always there . Always. No matter the time or day. I have such great memories of our times...putting in the garden, putting up the pool, having you change my oil (i admit, i was hesitant on your offer to do the brakes...), you searching stores for bandages n gauze for my wounds, cooking your favorite food ever (at least it was your favorite at my house bc quite frankly, anything edible was your favorite). Those homemade french fries from fresh potatoes. I could count on you to be there for me in any crisis...helping me move; helping at the yard sale; picking up meds for me; going to Safeway for my groceries and even fixing food when i was too sick to do so. I always knew you were a little off when you went north and played caveman but i missed you the times you went. I loved your stories from the past. I sat with you and your pain when Linda passed. I do not think until now i really realized what a big part of my life you were.

Adrian, you had a heart of gold. Your generosity was so much more than what was expected. Id have helped you slay your demons if i could have. But, at least they are at silenced now. I pray for you to celebrate eternal happiness and tranquility. I also pray that you will save me a seat because i will see you again. Rest Easy my friend. Rest Easy.

I offer my condolences to Adrians parents, daughter and other loved ones. May this journey lead you to peaceful waters.

I am so sorry to hear about the passing of Adrian. We went to school together and lived right down the street from him. Adrian was 3 years younger but we were friends. Adrian always had a smile and was a great guy.

I sincere condolences to his parents and love ones. Rest in peace my friend!
