“ I'm gonna miss you, man. I only wish that I had the chance to see you, hear your voice and laughter. You will be truly missed by so many people. I wrote this poem for you.

*The final breath, a whispered sigh, as shadows lengthen in the sky.
A quiet peace, a gentle rest, a peaceful slumber, he's heaven-blessed.*

Until we meet again, UNC. tell Jimmy, Tyrone, Rick, and ma, I think about them everyday and that I love them.
