“ *Dont know if that got posted on not. I pushed Alice into getting her first car. I tell you what we sure made her dad angry, by doing it without him knowing about it. Sadly, we lost touch in later years. But RIP Alice, you have been a wonderful caretaker of children and adults, so again rest in peace..*

So Crazy, I was just thinking about Aunt Alice a few days ago. I remember when her and Barbara used to visit us at my Grandmother's, Eleanor Walls, when I was young. And now I see she has gone to be with our Lord and join "Mama" in heaven. My Condolences to the family.....
