“ I am just hearing of Allison's home going. I have been trying for a few weeks to reach her. I wanted to ask her to attend an event with me. I thought to Google her husband's office for new contact info, but saw this instead. Heartbreaking! What a wonderful woman she was. My condolences to her family and all who came know and love her.

In CHRIST,

Janice Allison
12 February 2026

I met Allison at our treatment location at Walter Reed Hospital. My last name is Allison and her first name is Allison and we both would stand when the name Allison was called - it was such a laughing moment we shared each time the name Allison was called. I am only learning this morning of the passing of Allison and I was devastated to hear the news. I missed seeing her so I. asked the nurse has she been in the clinic recently because I had not been seeing her lately and she said she is in Heaven. I was so sad to hear the news. My heart is breaking and I extend my deepest sympathies to Allison's loving family!! Blessings and Love to you all❤️ I will always remember our meeting and now another special memory is that I noticed the date of her burial and it is the same date of my wonderful Stepdad's 25 August 2025 burial!! 😊
