“ Pops left me with so memories of a genuine, one of a kind man who did so much for others including myself many times over the years. I will always smile when I think of him. He was the Dad I never had and I will never forget the kindness he showed me. Love you Pops.

“ You were very kind to me, I miss you! You called me before your surgery and said you would call me after if you could but I guess I will wait for that greeting when I meet you later. BTW, Larry Ferris and I went down to visit Lasetta at Lowery's today and we remembered you were with us the last time we did this trip in September. Larry always liked that you would get 3 plates, one meat, one salad, and one vegetables, and always a big dessert. Be at peace, my dear friend!
