“ *My heart is heavy and broken to lose you. I know that you are no longer hurting or struggling, but your absence is hard to accept. We had so many good times together. Throwing Bobby under the bus was a favorite past time of ours. Hanging out by the pool and just enjoying everybody. Being clever and fussing at other's bad driving skills! You were very much like a sister to me. I love you so very much Amy. Bobby is devastated as well. We will make ourselves available to the boys if they ever need us.
