“ *My prayers are with the Pyle family in this time of loss. I didn't know Andy very well. Only got to meet him at Steak in the Sack in Ft. Washington where he would be working. He was always polite and had a smile on his face. As a matter of fact, this picture is the way I'll always remember him. He could take ribbing just as quickly as give it. I never saw him angry. And, I know he was well loved. Bye Andy!*

“ *My condolences to The Pyles Family. I'll never forget the many adventures I've had with Andrew. Like the time we wandered through the woods all night for his birthday, and then spent the whole next week together covered in chiggers lol. He was a great guy always putting others before himself. I'll be sure to share more and more memories as time goes on.*
