“ *Ann was a special lady who loved spending time with her family and friends. Her pretty smile and happy go lucky attitude were always a pleasure to be around, especially when she was with her family and Donald before he passed away. We're sure her dedication to her Church and the building of her doll houses were other things that gave her a lot of pleasure and kept her young at heart. We are so sorry that we didn't take the time to visit with her before she passed away. We talked about doing this so many times over the years but we kept putting it off, but that's our loss. We're also so sad that we found out too late about her passing and missed her service Unfortunately things like this happen at times like this and it's hard to get in touch with family when you don't have their contact information. She'll always be in our hearts. Our thoughts and prayers go out to her children and grandchildren who we know will miss her immensely.*

Love to you all, Midge and Johnny

“ Ann was a caring, loving woman, with many talents. She and her husband Donald Sr. did most things together, until Donald Past. She never seemed to be afraid to learn new things, Her friendship with her has meant a lot through the many years, and I will miss this wonderful woman. To the family, I send my love and prayers for comfort. She has always done a good job of anything she tried. Love and hugs to all. Linda Sopjack
