“ *Shirley was a special woman with a warm, kind heart. She's been a part of my life since I was a teenager and was the best Mother In-law you could ask for. She was a wonderful Grandmother to Zachary and she had a great love for all her family. She will be missed by so many people. I truly believe she's in a better place and will forever be in our hearts.* ❤️

“ Shirley is not really gone. Memories and visions of her will be with us forever and a day. Shirley always saw the good side of a person and her kindness was contagious. We have met very few people in life who were as giving; and even fewer who were as quick to forgive. For 72 years I have had the pleasure of being her brother, her friend, and her confident. Shirley was more than a sister-in-law, she was a true sister to my Wife Sandy. They shared many wonderful times together and especially shared the love of animals. She feels very blessed to have had her in her life for over 50 years. We both have no doubt that Shirley is now wrapped in God's loving arms. Shirley will never be gone. She has begun a new life in a better place. She is not lost. She has been found. We will meet again.
