“ *Mr. Edwards, Denise, Robin, Glenn, and family, we are truly saddened to hear of the lost of Mrs. Edwards. Growing up living next to your family was extra special. I was always treated as if I were a son and have many fond memories. Every evening Mrs. Marie would go to the back door and yell out Glenn's name to come home for dinner, and of course he would never come home on the first call, so she had to do it over and over again until he would get in trouble. We all will miss her dearly. Keeping you in our prayers, Mark & Peaches Swadley*
