“ *Anne, I will remember your smile and your sense of humor. You were a "take charge" kind of gal. I'm thankful that we worked at the Board together for so many years. Cyndie*

“ Anne was the type of woman that had a heart of gold. She always did and help so many people with a loving heart, She was patient, kind ,humerus , And loving. She always gave asking nothing in return. And always put a smile on my face she was easy to talk too. She and Gary was the first to interview me when I first started working for the Federal Reserve Board And because God worked through them I got the job working there. I will forever be grateful and Ann. She's gone from this wicked world but she's in heaven with the Lord And we will all meet again. She will be terribly missed. And you are with the Lord now save me a seat. Love forever always Dresia.

“ I will miss my favorite supervisor i've ever had. Her favorite saying when departing for the day was, (Good Lord Willing And The Devil Won't Have me) when we would say see you tomorrow. I look forward to seeing her in heaven.
