July 25, 1941 - September 19, 2024

Anne Wiley Edelen of Waldorf and Port Tobacco, Maryland passed away peacefully at home surrounded by her family and caregivers on Thursday September 19, 2024.

Anne was born on July 25, 1941, the third child of six, to Dr. Edward Joseph Edelen, Jr. and Mary Olivia Keech Edelen. Anne received her middle name in honor of her maternal Grandfather, William 'Wiley' Keech. Anne grew up with her parents and siblings in Historic Mulberry Grove, birthplace to John Hanson, in Port Tobacco, Maryland. The Edelen family enjoyed their home place and cottage in Banks O'Dee, Maryland. Anne's life on the water was full of good times, fun and making memories. Anne loved boating, fishing, crabbing, going to Ocean City, Maryland every summer, babies and bowling. Anne grew up in Charles County, Maryland attending St. Ignatius Catholic Church Chapel Point in Port Tobacco, Maryland. Anne attended Sacred Heart Catholic School in La Plata, Maryland, as well as St. Gertrude's in Washington, D C. Anne's favorite loves were music and dancing. She loved to dance!

Two siblings predeceased Anne. Her older brother, Edward Joseph Edelen III and younger sister Mary Susan Edelen Jaeger, as well as her dear nephew William Keech Edelen, Jr.

Anne is survived by her beloved brothers William Keech Edelen, Sr. (Joyce), David Bart Edelen and Richard Noel Edelen (Suzanne), her sister-in-law, Lexy Herschberger Edelen, brother-in-law Bruce Jaeger, as well as many nieces and nephews, great and great great.

Keech and Joyce were honored and privileged to be Anne's Guardians for over thirty four years. Anne was a gift and a joy.

Anne was blessed with many amazing caregivers from Providence (previously HARC), Wanda Willis was a blessing and has been with Anne for 31 years and became our family. The office staff and caregivers at Providence and Spring Dell are very dear to our hearts and family, we thank them.

“*Condolences. I had a half-sister I knew of as Olivia. She may have been Anne's mother. I never got to meet Olivia. My father was Richard Henry Keech, from Baltimore. I would like to learn more, in case we were related.*

“*My memory of Annie takes me back to Mulberry Grove during my high school years, many parties of which Annie was always present, the two of us had a serious liking to “cupcakes”
When it snowed there were evenings of sleigh riding, now Annie wasn't available for actually sleighing, but when we got well frozen it was time to come inside and share a fresh mug of hot chocolate and Annie was right there with Mrs Edelen making sure everyone got one, and maybe two, I can taste the hot chocolate right now, thank you Annie*

“ Memories of Anne while she was supported at Spring Dell Center in the Day program. **As staff would offer activities, she would often stop and consider the options given, then with a cheerful and sometimes slightly mischievous (in the best possible sense of the phrase) smile she would join in and take part with nothing but positivity in the task at hand. She would gently encourage others who might have been nervous to try their skills in the same arts and crafts endeavor. **She would also take on the role of support for others looking after them slightly and with their best interest at heart. **I clearly recall she, and several close peers joining in as performing and dancing to songs which I can only imagine being favorites of hers in younger years.

Our thoughts and prayers are with you all.
