Anne Humphries was so very sweet, kind, humorous, compassionate, professional and fiercely loyal to Dr. Francis Chairamonte and family. I had the honor and pleasure of working with Ms. Anne at Southern Maryland Hospital. She was the epitome of class. Anne spoke so highly of her son and daughter and their families and of her grandchildren and all of their accomplishments. I was in retirement when we ran into each other at the beauty salon we both frequented where we renewed our friendship, caught up on each other's lives and exchanged home phone numbers. I shall miss her so very much.

“ Dear Humphries Family...

*Please accept my sincere condolences for your loss.  
I had the honor of working with Anne during my 35 year career at SMHC, almost on a daily basis. After my retirement we kept in contact weekly to "keep up on the gossip". But as the hospital changed and employees that worked there became less and less we had less "gossip" to talk about, but we still talked about everything and anything...*

*Even after she left, I would laugh because she kept to her route of eating dinner late and I couldn't call her between 6:45 and 7:30 pm. because she often worked late and by the time she got home and settled, she just kept it that way .*

*My dear Anne, I will miss you saying "now Dee" what's going on?, or Dee do you remember that doctor who worked in radiology?..*

*RIP my sweet friend. Thank you for your dedication, getting my butt out of situations with Dr. C., but most of all your love and friendship.*

*Forever in my thoughts and prayers and now forever in my heart ❤️*
