Anne Lorraine (Anderson) Martin, sixty-three of Indian Head, Maryland, passed away peacefully on Saturday, April 11, 2026, at the University of Maryland Medical Center in Baltimore, Maryland. She was surrounded by friends and family.

She loved to attend car races to support her boys and sporting events, cheering for her grandchildren, nieces, and nephews. She was a daughter, mom, second mom to many, Nana, sister, Aunt Annie, and friend. Anne and her former husband share three sons; Robert Martin IV, Richard Martin, Anthony Martin and three grandchildren; Ryan, Katheryne, and Robert V.

In addition to her parents, Anne was preceded in death by her sister, Janice Garner and her niece, Krysta Windsor.

“ I have known Annie since we were kids and our Mamas worked with each other. I knew her as adults when she married my brother. She was always Annie Martin to me.

Some older women said she couldn't wear a wedding dress with a train so I told her I would make her dress. Annie looked lovely walking down the aisle in her gown, with a four foot train trailing behind. She almost pranced, with a beautiful smile on her face, so very happy that day.

The night Annie delivered her twin boys both sets of grandparents were out of town. Her sister, Janice and I stood in the hospital as substitutes. We got to see the babies first - after the parents of course - and I brought the camera so my brother took the first pictures.

Annie loved my kids. One Halloween she went to a Boo Thru was us. It was so funny watching Larry Jr. hanging on to her, almost pulling her pants off as she practically dragged him along. Many times she would bring the boys to my house and let them play outside with little Jamie while we girls laughed and talked inside. We will never stop talking about Annie (Martin) Morgan. She lives forever in our hearts and memories. □ □ □
