“ *I had the honor of meeting you several years ago. I was excited to do so as my Grandparents talked about you so often. You had also painted my grandparents in their tobacco field. The picture hung in the Court House for years and then was moved to the Commisioners Office. You were so upset that it had been moved. I am so sorry that I could not get it moved back for you. Thoughts and Prayers are sent to your family.*

“ To the family of Mrs. Annie Roberts
Our condolences are extended. Though I have not had the opportunity to get personally acquainted with you, it is my desire to express appreciation for the memories of Annie and her family. I remember her as always being cheerful and the times she was in Hendersonville with the Corn Family there was great laughter and love. My brother, the late Dewey Owensby, was married to her sister Bernice. May God's comfort and blessings be yours.

“ *She was my great great aunt, I miss her so much. I will never forget when she called my grandmother and asked to talk to me (at the time I was about 6) and told me a baby hippo was born at the zoo in Maryland. When I hear that she was coming to visit my brother and I would get excited, she was an amazing aunt. God bless her.*
