“ *There isn't just one memory I have 60 years of life and love shared with Aunt Ann. She was always there for me when I was growing up and as an adult I got a lot of encouragement and love from her, and some good advice on what not to do! I miss her so much. She was truly one of a kind. I love you Aunt Ann.*

“ *I am sad at the passing of Aunt Ann and my deepest sympathy goes out to all her family. I got to spend time with her on numerous occasions and cooked several meals for her. We shared many recipes and she accused me of omitting ingredients from the recipes so mine would taste better (I never did that). One of her favorites was a sherry cream corn and black bean sausage soup.*

“ What a game of Rook is being played in heaven! I can just see Aunt Ann, Uncle Gilbert and Daddy gathered around a table looking for a fourth player (maybe Fran, Billy or Ricky) to get the game started.

*I am so sad at the death of Aunt Ann. My sympathy goes out to all her family. She was a special lady who loved her family with all her heart. I heard many stories about her family while sitting at the dinner table with her and Mom. I loved her and Mom's stories about when they were young – Mom teaching Aunt Ann the ABC's and shaking her when she didn't get them right; going out in a boat in the creek and accidentally getting into the river and Aunt Ann screaming because she thought they were going to drown and Mom telling her to “shut up” (neither sounds like something Mom would do or say, does it?); Mom talking about what a beautiful little girl Aunt Ann was and how blond and pretty her hair was and how much she loved to fix her hair. The stories go on and on. Memories to treasure.*

*I pray God's peace fills your hearts now and in the days to come.*

*And, to Aunt Ann as she always said to me when leaving “Love you doll”.*
