It's okay to miss you, it's okay to cry. Just know I'll never forget you this isn't a permanent goodbye - you caught the wings of an angel out of here 7 years ago today, i think of you always & wish we could talk.

i was driving down the road tonight in the rain & i was thinking of you & then it hit me you've been gone now for 9 years yesterday, i was thinking how we walked those train tracks during the fall when the leaves were in full bloom through the woods back to the creek & came home & had a cook out. for some reason that memory keeps coming back to me, i took pictures of that walk but everyone of them has been lost, i wish i had just one of them †

“ My heart goes out to the family of Beth. She touched my heart in a special place that only her and I will know. We talked the other day and she had two wishes. God fulfilled the first. Now I must fulfill the second.

I love you, I will miss you, till we meet again.
