“ *My heart is broken that my sister (Aretta) has passed. I keep thinking that it can't be. Me and your other sisters will miss her dearly. Trips to Myrtle Beach will never be the same. We all loved to go antiquing, and thrift storing, walks on the beach. We will always remember the Christmas Eves, Thanksgiving and Christmas dinner memories we all had together. we all have wonderful memories of growing up together. They will forever be in our hearts. She always said that when she retired she wanted to move to Myrtle Beach and we are happy that she was able to do that. May you Rest In Peace. We all love and will miss you dearly. Love ginger*
