“ *Dearest Aunt "Lenar"*

You are truly a great woman of God an amazing mother, and a producer of wonderful memories. I don't think you ever met a plot of ground that you could cultivate and nurture any better than you did with your family. However throughout the years, you have created a legacy with you tar heel green thumb. All of our Luther and Russell Wise families enjoyed your special talents for making family gatherings so special. From greens, bread & butter pickles, hams, beefs, and all of the other produce raised from your hand, dinner at Uncle Lute and Aunt Arlene's was always an event. You hold a very dear place in our hearts. May God cradle you in his precious arms and let you know you are His. Say hello to Uncle Lute and enjoy eternity with each other. Love Tommy.
