“ Dan and Lisa, there are no words to describe how sorry I am to hear of Ashley's passing. I feel like I watched her grow up through my friendship with Barbara and how proud she was of Ashley. I know she will be in good company and looking down on her sisters and nieces and nephews. I will keep you all in my thoughts and prayers.

“ We are so saddened by your precious loss and send loving thoughts and prayers to you all. One of my vivid memory of Ashley was when she and Ryan were little, sitting at your dads house playing the piano together. They were maybe 2 years old and I just remember the sweetness of the two cousins enjoying time together. I know she will be FOREVER missed. God Bless you all, Love aunt Tammy & Uncle Gary
