“ *Barbara and I met in second grade ... wow, that was 58 years ago! Throughout those years I have been fortunate to have true and lasting friendships with many good, strong women from all walks of life. I can say without hesitation, however, that I have never -- ever -- had a better friend, or a stronger friend, than Barbara Agnes Strobel Gray. I will miss her -- probably much more than I realize at this point.*

Goodbye, Barb. And, to put it in your own words, "Love ya, girl!"
