“ My sincere condolences to Barbara's family. We worked together at the U. S. Dept. Of Education. We stayed in contact after retirement. We called each other periodically to exchange pleasantries and give updates on our families. We also sent each other birthday and Christmas cards. It was unusual not to get a Christmas card in 2021. Now I know why. She was transitioning to her heavenly home. Peace and love to her family. Joan Byrd.

“ I was Barbara's last supervisor at the Department of Education and she was an outstanding employee who became a close personal friend. When I started working with her in 1992, I was the supervisor, but in many ways she mentored me in the 10 years that we worked together until she retired.

We attended a conference in Denver in 1996 and then in 1999 in Keystone, Colorado where she gave a presentation on her 55th birthday. She was nervous but she wanted a challenge and wanted to prove herself. She did many times over. Our travels were memorable and unforgettable adventures.

We kept in touch several times a years and I was always delighted to send her Rum Balls at Christmas. She seemed to enjoy them. I last talked to her right before Thanksgiving. It pains me to know that was our last conversation. Our conversations were always uplifting and humorous. She was a lot of fun and loved adventure.
