“ We have lost a beautiful person . Barbara will be missed. I am so saddened that she has gone but she told me, she was so tired and didn't want to go on feeling so bad.

God heard her, he has her now and she is whole and well.

Barry, We are here for you, you know that. Wish I could wrap my arms around you and offer a hug and comfort. She loved you, you were so good to her to the very end. She was blessed to have you. We were blessed to have you to take care of her.

Brandon and family, she loved you all. I wish she could have seen you all before she left us, I have about a thousand Blyleigh stories she shared. We always talked about our granddaughters. She was her pride and joy!

To her siblings and their family, cherish your memories. I love you all.

I could go on and on....so many years of memories and love, praying you all find comfort during this difficult time.

We are family, I love you all.💕💕

*Brandon, there are no words to adequately express my sympathy and condolences in the loss of your Mother. Keep her alive in your memories and heart and she will never die. May God grant you and your family peace and understanding at this most difficult time. Your former colleague, Bernie Davis-Ray.*

*Barbara still shines in my memory as a wonderful High School Classmate, somebody you were glad to know in life. It was good to see her at our 30th HS reunion in 2003. May the Lord bless her family. Her classmates have not forgotten her.*
