“ Barb: I have fond and fun memories of you and Dave's Halloween parties at your house and late night dances in our younger years, not to mention the early morning breakfast events. I will miss laughing and chatting about our precious gifts, children and gr-children. Thank you again for giving us a beautiful and truly amazing daughter in law. We will all be together again soon. Love, Margie B.

“ Jenna....your Mom was a kind and fun lady. Over the years we became friends because of our mutual love for estate sales and antiques. I am thankful that I was able to see her much more frequently while she worked at Hooks and Hangers. Every Saturday that she worked, she would bring sweet treats for all the employees. She always made time to talk and treat people nice. She was proud of her family and loved her Grands so much. I am so sorry for your family's loss. She has been set free from pain and watching over her loved ones. Rest easy my friend. Lori Robinson
