“ So sad to hear of Bobbie Sue's passing. We became friends in middle school and saw each other over the years. She was at my wedding in 1998. I have lots of good memories. Sledding at the farm is one of them. I hung out together with Betsy also. Bobbie Sue was always kind and caring. I used to watch her and Cathy (Stevens) play softball . I was not so good at playing because they were awesome!! So watching suited me! She will be missed. Blessings to all.

“ I went to school with Bobbie but didn't really become close friends until we played softball together. We had so many great times and I will always cherish the memories. She and I were very close throughout the years. When I moved to Oregon we didn't keep in touch as much, but I was so happy she was able to come and visit me, and I got to see her one last time during Christmas. Bobbie you will always have a place in my heart and will be greatly missed.. My deepest sympathies to the entire family. Love you, Cathy and Kenny Bobzien

“ My condolences to the entire family. I did not know Bobbie Sue well in high school (she was friends with a friend of mine); however, I always remember her as a bright light. Just out of high school, I worked with Bob and Joan and have remained friends. My heart is with you and yours in this difficult time.
