“ *I will never forget Bernie calling me on my birthday and singing. I told her that was the best present she could give to me. Her response was "what do you want I'm your sister" that was 2 days before she went home no more pain my "Irish twin sister" Bernie was full of love and life. She fought hard to live life to it's fullest. For Brandy and the grandchildren you were blessed to be a part of her life! Chuck thank you for taking care of my sister. With much love when it's our turn to cross over we'll smile and remember the good times!*
