“ Terry, Coleen, Eileen and Bernie, my thoughts and condolences to you on the loss of your dad. I have so many wonderful memories of spending days during my teenage years in your home. Your dad always treated me like one of his own. He also pointed me back in the right direction a time or too. May all of your wonderful memories of your dad help to get you through this time of sadness and loss. He will be missed by many. God Bless You All!

“ Many years ago I had many feral kittens running wild in my yard. Brady told me he would take several male kittens for mousers in his barn. I ask him how was I suppose to know the gender of these feral kittens, he told me to stick my finger in their hinny .. needless to say I told him "you'll get whatever I can catch". We laughed about that for quite sometime. RIP.

“ I am so very sorry for the families loss, you are all in my thoughts and prayers.

I will always cherish the memory of the time Terry had the Murder Mystery Party at the farm. Brady was the Butler who prepared a awesome dinner for us all. He was so in character and even spoke in the best English accent he could muster up. I believe he enjoyed it as much as we did. One of my fondest memories in my life.

I loved it when Brady would join us at parties or when we were hanging out. He was a lot of fun.

RIP Brady, thank you for the memories!
