“ My beautiful sister had the kindest, most caring soul ever. My siblings and I often laughed and referred to her as "momma hen" because she was always the first to show her concern and offer help when she could. Anyone who was fortunate enough to know her has shared many, many laughs and unforgettable times with her. May she rest in peace and may the Lord give strength to all of us who are so saddened by this loss.
I will carry your dear memories in my heart forever.

“Glen and family, I am so sorry for your loss. Betsy was in the prime of her life and is gone way to soon. When I think back to the good times we've had in the past I have to laugh at some of the things we went thru. I remember too well when Betsy and I ventured to Myrtle Beach to visit her mother and we had such a great time. We laughed at everything and just had fun. Remember when we followed your band to every place you you all played. I think you all called us Roadies She will be missed by all.

You all are in my thoughts and prayers. With sympathy, your sister Margaret.
