

Bette Laraine Pagliaro

May 31, 1958 - April 1, 2021

Our sister, Bette Laraine Pagliaro left us at age 62 on April 1st, 2021.

Our parents William E. Sanders and Jessie D. Pegram went before her and met her at heaven's doors.

She left behind 7 siblings; George Sanders, Lynn Shaw, Rodney Sanders, Paul Sanders, Pamela Ruiz, Nancy Sanders, and Sandra Littleford, and a host of nieces and nephews.

Born with a creative mind, Bette enjoyed photography, stained glass, and calligraphy.

Bette was a huge movie buff and knew practically every line of every movie. She loved animals and had a soft spot in her heart for cats.

Her biggest legacy was her time spent with her numerous nieces and nephews. Always the silly fun Aunt who would play make believe for hours, make crafts, take them to interesting places, or watch their favorite shows with them.

We miss her so much, but we know she is happy and free from pain now.

Due to the COVID-19 Pandemic situation, funeral service will be limited to

immediate family only. The family extends their regrets that they will be without your friendship and physical comfort. Your thoughts and prayers are appreciated at this time.

Please feel free to offering condolences on Bette's Tribute Wall.
