“ *I met Betty about 17 or 18 years ago at Laplata high swimming for special olympics. At the time Billy was 4 and Tammy was 2. We became good friends, and thru the years, did many things together. Went out to lunch, went to concerts, etc. She always was a big supporter of special 9lympics, and she helped in many activities. One thing for sure, she would give you the shirt off her back if it was needed.*

*My sincere condolences go to Burt, Tammy, and Billy.*

*Rest in Peace my friend til we meet again.*

*Betty always had the best birthdays, being born on the 4th of July. She'd cook, have crabs, activities and swimming for us all. She loved animals. I don't think I ever remembered a time she didn't have at least one or two animals. The best memory is how much she loved her kids. Billy and Tammy she loved you guys so so much! She always went above and beyond for your birthdays and holidays. Burt you were an amazing husband and loving father. Remember she will always be with you in your heart. I love you all so dearly and am praying that God can comfort you during this time.*

“ *There are so many memories. Most of happy times, Eating crabs. I loved sitting next to Betty as she could shell crabs faster and better than almost anyone I know. When Betty gave, She gave with her whole self. Expecting nothing and giving all. I know she will be missed and my heart goes out to Burt, Billy and Tammy. So happy we shared many occasions together. Another great one in 2003 I believe, when she drove into my mother's with Billy and Tammy and brought my hubby and grandson so we could all ride the wagon train, celebrating the bicentennial of Ohio. What a great memory for us all.*
