“ *They say it takes a village well Ms "A" was half that village. As commissioner of Clinton Troop 1669 she was behind the scenes keeping the finances and paperwork flowing for the troop. She believed in the values of the boy scouts and was directly responsible for helping scoutmaster Ed Mudd mature multiple neighborhood kids from Parkview and Den Lee into functioning Men contributing to society. Always the teacher, She held court behind a Green George Jetson dinette and if you were found wanting you would find yourself on extra duty until she felt you were back in line. Yes thank you Ms "A" for all your help! She was a grand lady and will be missed Rest in peace until we meet again.*
