“ Betty this picture is so beautiful, you look like a movie star. I have missed getting together with you guys since we left Maryland. I always felt so welcome and at home with you and Lou. And I used to love talking with Diane in the front room she was so crazy about the Judd's. Thanks for all the happy memories, friendship and great food. You were such a sweet, kind and loving lady, a great mom, loving wife, and devoted sister. You will be missed by many. RIP sweet friend till we meet again. Love you

“ My aunt Betty was my father's brother's wife. She married into an Italian family in the early 1950s, probably not knowing what she was getting herself into...just like my mother. My mom tells me that she and Betty were like sisters. They married brothers; they lived in the same apartment building in the District for many years; and then Lou and Betty moved into a large house across the street from the apartments. My mom and Betty had babies in the same year--both Bonnie and I were born in 1953...Bonnie was 3 months older than me. My brother was born in October 1954; Louie was born in December 1954. The Buttice family, from back in the 1960's, played the stock market. My mom tells me that Betty once told her "let me know when you sell a stock so I can buy it." Seems that every stock my mom sold started going up after she got rid of it, so Betty wanted to buy that same stock while it was going up. Lou and Betty's house in Hillcrest Heights was the party house back in the day. My cousin Jimmy and his wife Sandi held their wedding reception at their house. A year later, my husband and I held our wedding reception at their house. Betty was a sweet, kind, and gentle woman. I'll always remember her wearing her blonde hair pinned back in a bun. I never knew how long it was until one day when she wore it down. Every time I talked with Betty, she would tell me that she loved me; and I loved her. I am so blessed to have had Betty in my life as my aunt, and she will always be in my heart.
