“ *"Betty will be truly be missed by many. She always had the time to say hello or ask how you were. I will always remember her beautiful smile and caring ways.*

All those we love are part of us for things of beauty leave their trace, and memories of all we've shared are treasures time cannot erase.

“ I remember Betty as one of the sweetest people I had ever met. I hadn't seen her in over 45 years but I often thought of her kindness when I was to young to know better about a lot of things. I went to see my husband and Genesis and he told me he had found out she was there also. I immediately went to find her only to find out that she had passed the day before. I would have loved to have had the opportunity to tell her I had never forgotten her kindness. I sincerely hope her family will remember her as a wonderful person because I'm sure she could never have changed during all these years. The picture you have chosen to put on this page is the Betty I remember and it was wonderful to see. May she rest in peace and her family only have great memories.

“ Please accept my deepest sympathy on the passing of Betty. She was a good friend having met at the Elks and Ladies organization. We shared a lot of laughs due to our first name being the same and people getting us mixed up. Rest in peace, my friend. The "other" Bettye.
