“ *Betty and I were good friends growing up. I often remember coming to her house on Sunday, when John, would make Spaghetti and meatballs in the most amazing sauce. We spent a lot of time talking about the Avenue boys and had a many other good times together. Sadly I only saw her once in recent years, when I visited her and Ed. She seemed happy at that time. She had more than her share of tragedy in life after that.*

My deepest sympathy to her family, may she rest in peace!

“ Nick and family. I am so sorry for your loss. Betty was a wonderful lady and we loved her very much. I know that you have heard this before but she is in a better place. She is with Ed and your sisters and one day we will all be reunited together in Gods kingdom. This is all part of Gods plan for us. She will truly be missed by everyone. Betty, please give Debbie a hug and kiss for me and tell her I love and miss her very much.
