“ *Our Dad,*

I remember so many things, how hard you always worked for your family, your love and support. You're a man of character and principle. You loved to bowl and when you and Mom went one Tuesday night to bowl, my brother Billie, thought he needed to take the family car for a ride. I'm the oldest at home then, and I'm hoping and praying he gets back before Dad and Mom got home. I think he made it on time. Have so many fond memories from living in the mansion on Enterprise Rd on 10 acres. I was working at NASA and out one night. I came home, took off my shoes to be quiet. Long hallway took you to the dining room, bathroom, kitchen. Staircase to upstairs was right inside the front door. I'm stepping quietly to go up to my room. Next thing I knew, Dad said from end of long hallway "Good Morning"! It was maybe 12:30 am. He was up getting ready for work. He always worked hard, had long hours, different hours with Giant Food. I said "Good Morning Dad" and went to bed. Dad was full of life, loved people, helping people, and was the type of man who people loved to be around. I will always cherish him, love him, and miss him terribly. I pray he knows how much I loved him and his family and friends did. Rest in peace Dad. You're irreplaceable. All my love, Joyce
