“ *The Duer family*

So sorry for your loss.

I grew up with Boyce in Mantua NJ.

My parents and Boyce's parents were very good friends.

We spent a lot of time together in our younger days. also at Pitman High.

I will never forget the week I spent in Wildwood Nj one summer with Boyce and his parents. Again my sincere condolences!!

“ *We will miss him and we pray for his family. We enjoyed talking to him and Dee (and Debbie too) when they had the Wild Bird Center. He was quite an expert when it came to birds, and was always helpful in helping us find just the right feed for our bird feeders.*

Love,

“ I have fond memories of frequenting the Wild Bird Center and chatting with Lee & Dee about "no mess" bird food varieties and a "squirrel-proof" bird feeder. Lee steered me in the right direction on both counts, and we are still using the bird feeder after more than 25 years. I don't even know how many shepherd's hooks I have in the yard, and we're still using the Blue Bird house he recommended.

Lee was good at what he did, and when he took up wild bird photography--WOW! I was thrilled to purchase his photo note cards to send to family and friends as a unique gift.

As a pet lover, I appreciated Lee's devotion to their family pets and enjoyed seeing his beautiful shepherd Zeus in the store. It was a pleasure to talk with him about the birds in my backyard and get his helpful advice. Thanks to Lee our backyard has become alive with a variety of birds during the 35 years we have lived in Waldorf.

In appreciation,

Nancy & Merv Roussell
