“ *Diane, A life well lived. Your beautiful smiles will be missed around here. Say hello to Steve and give him a big hug from me. You are now surrounded by love and loved ones gone on before you, but the most love important of all, the light and love of Our Lord and Savior. See you when, Sharon Bowie*

“ *Dianne was my partner in crime. Between the two of us, we kept Bob and Mike on their toes. Dianne loved to play pranks on all of us. She knew how much I hate snakes, yet she couldn't resist putting a rubber one in the shower of our travel trailer. I feel very blessed to have had her in my life. We had so many things in common and talking about our kids and grandkids and comparing notes was our favorite thing to do. I will miss her so much and absolutely will not forget all the memories. Save a place in the pool for water aerobics for me my friend. Love you forever, Hope*
