She is hurting so bad and I have no idea how to ease her pain. You came to me 3 times and I never seen you again. Thank-you for that and now please come see your sister in some form or another. Use my energy, take whatever you need from me even if it makes me sick. Love and miss you 😔*

She enjoyed mingling with the other children and rejoicing when her daddy walked through the door to take her home. You are rejoicing with the Lord now and he will be your Mighty Savior who has taken you to his glorious home. "Rest In Peace" <3
