It has been a long time since we have had any contact with Brian (he was playing Little League at SMYO...and have not even had contact with Gary (also back in Little League) or even Becky (my friend from our days when our sons were at James Craik Elementary & also from the days at SMYO) but that does not make our hearts ache any less for your loss. I remember the day we met as though it was yesterday -- even though 13 years have passed. He will be missed, never forgotten or replaced. I am so lucky to have had Brian in my life.*

“ To Brian's family, friends and other loved ones, my heartfelt condolences to all of you. Brian was my cheery, active neighbor who always had a smile on his face! I enjoyed spending his 30th birthday with him and his many friends on Kerry's boat. This news is so so sad-clearly a life gone too soon. He will be missed and I wish for all of you comfort in his memories as you deal with this tragedy. As an employee of the American Cancer Society, I thank you for suggesting donations in his honor to my organization and I will be making a donation in his honor.
