“ I met sweet Bridgett when she was just 3 or 4 years old. What a cutie she was then, and what a beautiful, caring woman she became. I remember her as always having a smile on her face and kind words for other people. She was always kind and loving, and there is no doubt that she loved Tommy and her sons totally. She will be missed by all who knew and loved her. I wish I could have spent more time with her and the family. No more pain and suffering now little one. God bless Tommy, Branson, Nolan, Arlene, Nancy and PEC. I am praying for your family. I will miss Bridgett very much.

“ I am in a state of shock. A life taken to soon. My sweet Bridgett, you will be missed. We had so many fun times together being neighbors. Always someone I could count on. To Tom, Nolan and Branson, don't ever doubt how much she loved you. May God give you the strength you need to get through your loss. Rest in peace my dear friend...I miss you already.

“ Goodbye to my dear trusted friend I still can't believe that you are gone. So many memories fill my mind...coaching tee ball spending hours going over the line up you would have thought we were coaching for Major League Baseball but you always gave 110%.....the many hours on the phone when our kids were little you were the one sane spot in my day... The silly you or me that would call when we would see that first snowflake fall every time it snowed no matter what time it was again so many memories I could go on forever...I know you are at peace now and that you have retired your broken body with one that will let you shine as you always did. I will always keep you close in my heart.

*Tommy, Branson and Nolan I will continue to pray for you as I know Bridget always did she loved you all so much and always wanted nothing but the best for you. Bridget would want you to be happy and strong and remember the good times. If you need anything just let us know.*

*To all of Bridget's family she was a wonderful person and I a better person for knowing her you should all be very proud for making her who she was.*

“Bridget had been my friend since late years of High School. I introduced her to my Brother Tommy. We all lived together for a while. A wonderful sister-in-law and friend to me , Awesome Aunt to my children. She will always be remembered, never forgotten. My memories with Bridget were when we lived close and use to go shopping. It was always fun even when we got matching outfits.

“Dear Tom, Branson, Nolan and family,  
I wish I could take away the grief you are going through. I remember when Bridget and I first met at work and we had many laughs and great times and continued our friendship through the years. She will be missed by us. She is at peace now and is with God. My angel always!!

“ *Bridget,  
I'm not sure where to start, Ive known you for a long time, I remember coming over to babysit the boys for you, I remember me calling the house and you always had a way of calming me down with your kind words of encouragement. You would always tell me, how beautiful I was. Bridget I haven't seen you in years, but when I heard your voice it was like old times. I'm gonna miss ya, I always wanted us to get together for dinner but the times were never right. I guess when we meet again on the other side we can plan a dinner date :) My thoughts and prayers go out to your wonderful family. My heart hurts for them. May you rest in peace! Oh and by the way, I use to always say to myself wow she's so pretty! xoxo God Bless you sweet Angel. Until we meet again..... Tommy if you need ANYTHING please let me know. xo*
