“ My name is Patrick Fagan, and Bridgett Fritz or Mrs Fritz as she's better known as used to babysit me when I was a child back in the 1970's and early 80's. She was a beautiful, generous and very loving person who I loved and respected very much. She treated me like one of of the Family. She was like a second Mother to me. I continued to visit her as I became an adult. I have a Dentist who's located in Bryan's Road Maryland. When she was still living in her Family home in White Plains when ever I had my Dental Appointments I would call her to see if I could come over to say hi she would almost always say come on over and I would. I'm going to miss her very much. May you rest in peace and thank you for looking after me when I was growing up. Love you Mrs Fritz. Say hi to my Grandma Ogden, Mr. Fritz, Lisa, and Mr. Fritz's Mom..
