“ Bryce will forever hold a special place in my heart. I remember having the meeting about him before school even started because of concerns it would be too stimulating in an inclusion class. He started out in class for 5 minutes and soon made it to the whole morning session of Pre-K. I learned so much from him as did his typical peers. They wanted him in centers with them, at the table, he was one of them. I loved him so much and am grateful that you trusted your baby with me for the 2 years that he was in Pre-K. Thank you for trusting me. I love all of you.

Bryce was a joy to have in class. He brought us lots of fun and laughter. He taught us lessons on strength and caring.
