

Byron O'Neil Moffett

November 11, 1964 - September 29, 2023

In Loving Memory of Byron O'Neil Moffett
November 11, 1964 to September 29, 2023

Byron O'Neil Moffett, beloved husband, father, son and friend, departed, this world peacefully in his sleep on September 29, 2023, to begin his eternal rest. He was 58 years old.

Byron was born in Erie, PA on November 11, 1964, to proud parents, Joel and the late, Dorris B. Moffett, in a close-knit family that offered a strong foundation for his life to come. He was a loving brother to Patrick Moffett and cherished late infant sister Freda Moffett, who together with mom welcomed him into their heavenly embrace.

From his early years in Erie, Byron was an active and devoted member of the Antioch Baptist Church, where his faith was grounded, shaping his values and guiding him through his life's journey.

Byron's dedication extended beyond his church, as for many years he poured his heart into his work at St. Vincent Hospital in Erie. He selflessly served his community, bringing comfort and care to those in need, touching many along the way.

Relocating to Maryland in 2014, Byron continued his noble calling, working

within the St. Mary's Public School system at Benjamin Banneker. His commitment to education was equally notable, as he contributed to shaping young minds and inspiring the next generation.

Byron's heart was forever captivated by his beloved wife, partner, and confidante, Kelly Moffett, who faithfully stood by his side, sharing in life's joys and challenges. Together, they built a life full of love, laughter, and unwavering support. Byron's love for Kelly was exemplified in the protection, provision, and servitude he extended to her at home and in public.

As a devoted father, Byron leaves behind a legacy of love and guidance in the hearts of his children. He was the proud father of his daughter, Devin Moffett, and sons, Jordan Moffett and Braydan Moffett. Additionally, he embraced his role as a stepfather to Dylan Moyer and Kelsey Moyer, raising, nurturing and loving them as if they were his own. Byron's joy was multiplied by the presence of his three cherished grandchildren, Jeremiah, Jionni, and Aria, for their immeasurable love, and treasured memories.

In addition to his immediate family, Byron leaves a lasting impression on his nephew, Hunter Moffett, and nieces, Olivia Moffett and Nina Moffett. His love also extends to his loving aunts, uncles, cousins, and friends.

Byron's life was marked by his gentle spirit, unwavering dedication to his loved ones, and a profound sense of kindness. He found solace in the simple joys of life, whether it was sharing a meal with family, cheering on his favorite football team (Dallas Cowboys), or coaching his son, Braydan's team first "The Blue Knights, then later "The Southern Maryland Canes".

He will be remembered for his peaceful aura, humble spirit, and immeasurable love for his family. Byron Moffett's legacy of love, provision, and compassion will continue to shine brightly in the hearts of those who were fortunate

enough to know him.

As we say goodbye to Byron, let us remember the love and laughter he brought into our lives. Though he may have departed this world in body, his spirit lives on in our cherished memories, and he will forever hold a special place in our hearts.

Bryon O'Neil Moffett, you will be profoundly missed, but your memory will forever remain a source of love, strength, and inspiration. May you rest in eternal peace.

“ I have enjoyed working with Byron for many years. I have always held him in high regard. He is a genuinely nice and caring person and so good with the students he works with. The last interaction I had with him sums it all up for me. I am in my 3rd trimester of pregnancy. I dropped something in the hallway. He happened to be right near by. He knelt down to pick it up for me. I said, "Thank you. You have no idea how much that means to a pregnant person" and I laughed. He said with a smile, "Yes I do. My wife was pregnant 3 times." I thought it was the sweetest thing he could say and showed his love and devotion to his wife. I will miss seeing him each day in the hallways of Banneker.

“ Mr. Moffett was always a bright light in the world. He was a great friend to my mother, but he was also a great friend to me. He knew many of the details of my struggles, and was always offering me support and guidance. He was funny and kind and unbelievably selfless, and I will always be grateful for all he did for my family. I only hope that we can return his kindness by supporting his family now. I love you, Mr. Moffett. We all do.

“ I consider myself blessed to have had Byron as a friend. Byron's benevolent nature was reflected in his willingness to devote time and energy to those around him. Indeed, Byron's desire to make others feel appreciated, valued, and significant was genuinely remarkable. Within the BBES community, Byron was regarded with fondness and esteem and indelibly impacted every individual he encountered. Byron consistently extended a helping hand and offered kind words to those in need, exemplifying selflessness and compassion. Byron's rapport with students and staff was exceptional. I miss Byron, and bidding farewell to such an extraordinary friend will be challenging.
