“ *Dear Benny,*

You were the best father-in-law and grandfather to my children I could have ever asked for. You always made me feel welcome at family gatherings and you were always glad I got to see you. Most of all I wanted to thank you for being a wonderful father to your kids. Benji told me so many things about his childhood and a memory that stands out most was that you would take the family of 7 out every weekend camping(when they were little) on \$40.00 and everyone had a blast. How do you do that? You have to be very creative for that to happen.

You taught them kindness ,acceptance, strength and ability to love unconditionally. I am so blessed to be part of this family as I watched them all throughout your sickness pull together. The love they have for you and each other is endless. There is a special place in heaven for you. You will always be missed and loved.

“ Dear Pop Pop,
I'm sorry I'm just saying this now, but thank you for taking care of grandma for us all these years. I remember I asked you about loving her and this is what you said "No matter how long I live, forever is not long enough to show my love for her. She is too precious for me." You spoke with true passion and love. I'm sorry you're time was cut short on loving her here on earth. She knows how much you loved her.

I'll remember the times of riding your back when Danielle and I were young, watching you work in the garden, telling silly jokes, and getting us KFC. I'm thankful that I could help take care of you during your last time here. You told us you loved us and even blew us a kiss. I will cherish those memories forever. We already deeply miss you. I'll always love you.

See you again,
Amelia

“ Dear Benny, I owe you a debt of gratitude for taking care of my mom all these years, working hard and supporting her. You will be missed, I remember us laughing our butts off watching the 3 stooges, shooting in the backyard and at the farm. Hanging out in the garage talking about much of nothing. Letting me take the vette to KFC to get us chicken dinners. Also driving you up to the store in that little mustang with the v 8 motor, I gunned it at the wrong time and seen you wearing your drink in your lap and we laughed. Watching you play with my kids when they were little. You are a great guy and I appreciated that in you. Remember we all miss and love you, until we meet again.

Love,
Larry Jr.

“ Dear Benny,
For about 14 years, you, Gail, and I spent our Saturdays together. We'd watch movies or TV shows and talk. You sure could spin some tall tales! I'd bring you night crawlers on special occasions, so you could take them for rides in your van (just in case you came upon a fishing hole.) There were times we worked on projects, such as putting together a jigsaw puzzle. The first piece you touched always found its place. You always knew how to make a piece fit (even if it meant altering its shape.) We did woodworking together, painting the creations. There were days watching you till the ground or mow the grass. I always enjoyed watching you work. You were so skillful at whatever you were doing. You earned the title of my "favorite brother-in-law," even though you were my only brother-in-law. You are greatly missed, Benny.
Love you,
Dale "Susie" Lantz
P.S. I told Gail maybe I'd better wear my hat to the funeral so you'd recognize me.

“Wow!! Benny and I go way back. It is hard to believe he's gone. But he fought like a champ. He told me he would do what he needed to do until he could do no more. And he kept his word. I am every so glad to have had the opportunity to meet him through a co-worker when I was trying to figure out how to proceed with my home improvement projects. No matter where I resided, each and every time I called he would make sure he was available to meet with me no matter how crazy or confusing my requests was. I will truly miss the laughter, advice, the rides in his work van to Lowe's, and the patience Benny gave to me. Our friendship became a family bond. Benny, you are truly missed but I understand you didn't want to suffer any longer or continue to live a life that didn't allow you to be you. My condolences, and prayers to your loving family from Perry and Greta Campbell. We love you guys, always!!!

“ My heart is heavy for the family but I know you will make it through this sad time in your lives. I have fond memories of Uncle Benny and his children, my cousins, from my childhood. I will always remember his smile, his curly hair and his sense of humor. I love how close he and my Dad were throughout the years as that is a special gift in itself. Keep your memories close and he will live in your memory forever. I send you healing prayers and love to all, Roy & Debbie Berry Gibson.
