“ *Seeing the obituary makes it real, but still so hard to believe. Carl lived in our small neighborhood. He was always willing to serve and lend a helping hand to any and everyone. He didn't ask, just did. I'll miss the banter, the conversation and your huge heart. Our neighborhood feels the loss. Thanks for all your help. Rest easy with our Lord and Savior. My sincere condolences to the family. Prayers for your hearts.*

“ *I moved to Ruidoso, N.M. on Carl's birthday last year 2025. I didn't know it at the time. Carl lived directly across the drive and was a very important and helpful neighbor in our small neighborhood. He was extremely caring to everyone here.*

He was a person who had a huge heart I learned in the short time I got to know him.

This past winter when an ice storm hit and trees were broken everywhere Carl was there to help without even being asked. We had power lines on our building and Carl made sure we were all safe by taking quick action.

My 87-yr old mother MJ was also a friend to Carl.

We shared quite a few meals together as we liked to do in our small country space.

I can tell you we are all going to miss him very much. Every morning I wake up and look out my window and expect to see him.

The world has lost a good soul. He will be remembered as a man of faith and caring.
