“ Carol was one of my mentors at Eva Turner when I started teaching 20 years ago. Since I moved down to Waldorf from Pennsylvania, I had no family or friends. She took me under her wing like a mother duck and helped me find my teaching groove. Her sense of humor always kept me laughing and reminding me how fun life is. I will always remember her end of the school year celebrations on top of the library counter. Thank you, Carol, for being one of my Maryland moms.

“ Oh Mrs. Carol. What a soul. My children adored you. I loved when you came for a party and Danny rode you on the 4 wheeler. You certainly will be missed. Rest easy with your love, Bill. Keep an eye down here on us.

“ Carol and I did an antique car rally race together...mistake...we got very lost..hilarious. We were so lost that at the end of the day we won a trophy for "Lost in space" :) Many hours spent with her in her garden planting cantaloupes and tomatoes. If you were her friend you received lots and lots and lots of cantaloupes and tomatoes :). She always told me she when parting, " See you around like a donut". Well Carol: See you around like a donut!!! I'm sure Bill the Pill is happy to have you back.
